

## **DISTORTED BOYS**

*A PHOTOGRAPHIC ESSAY*

*Jan H. Andersen*

---

Distorted boys.

Secluded.

They are wrapped in a film from birth.

An ever growing pupa of fear.

Some try to break free, but they fail.

We would like to comfort them, but we can't.

The more we try, the thicker the wrapping becomes.

And neither of us can see anything but a distorted reality.
